3. Personal Achievement Award –

For youth that have demonstrated a dramatic positive change in attitude or behavior, overcome a significant obstacle (health, family situation, etc.), or have made a strong, positive academic turnaround. Youth you feel need to be lifted up for overcoming obstacles in their lives.

Be As Detailed As You Can When Describing Why You Are Nominating This Young Person: We would like to receive a paragraph that would be suitable for publication in some of our local newspapers. Where pertinent, please provide us with the following information: What organization has the young person been involved with? If volunteer service, when did this take place and for how long? What was the impact of this activity on others? Personal achievement can be delicate to publicize, so try to capture the essence of the youth's accomplishments without being too personal when appropriate.
